Aborigine Restoration ACT

Worldwide Mandate to Correct the History/ Her-story of the Aborigine Moors, "Black Indians", Indigenous Inhabitants of the America's. We must be restored back to our original status. Joshua 1:3-6 'Be strong and courageous, because you will lead these people to inherit the land, I swore to their ancestors to give them'.

Put our Faces Back Where They Belong

To: All Learning Institutions Worldwide Public and Private, Libraries, Colleges Universities are hereby mandated to stop teaching blatant, egregious boldface lies regarding the history of the dark Asiatic Moors. History/ Her-story of "Blacks" today who are in virtue Moor, meaning of dark complexion, inhabitants that own the land in the America's.

This is a mandate to retrieve, verify and communicate with archives around the world to locate factual content, scour the archives for original pictures of Moors who ruled for centuries, such as King James, King Arthur and King Charles, Queen Elizabeth, Queen Charlotte who were Moors. Rid ourselves and our schools of the colonial teachings that were orchestrated to keep the truth from the Aborigine Inhabitants, so they could continue control for centuries. Falsehoods were told, taught and spread to eject the Caucasian people into history where they had none and to rob the heirs of their land, status and entitlements.

In order for history to be written accurately about Moors "Black People" one must have at least (3) Three supporting facts from World and National Archives (2) from abroad sources and/ or (3) supporting facts from Archaeologists and/ or (3) supporting facts from Anthropologists. Extracted from world records (France, Germany, Poland) etc. There will be no more misinformation reported regarding the history/ her-story of the Moors, Aborigine of Amexem who are Autochthonous and Autonomous to the Americas.

We do not support the myth that all "Black" Inhabitants came from one Continent. Myth that has been taught in the United States and Abroad is that all "Black" People came from the Continent of Africa. Ancient findings support that our DNA shows up as the first on all Continents. Anthropologist findings support this fact. Archaeologist findings support these facts. Archives support this fact. We are the Aborigine of Amexem, Asiatic (Dark Skinned) Indigenous Inhabitants. Improperly called "Black People" today. Our Ancestors navigated the Seven Seas and populated all Continents since the beginning of time. [Ref. Toriano ObaShango-El's documents: Landmarks, DNA markers, historical evidence]

WE do not support the misinformation and theories published by inquisitionist, colonialist and Rosicrucian known dates from (1492-Present year of 2017) whose agenda was to extinguish the Aborigine's history/ her story in Amexem (America's) and worldwide, to steal and over throw Tribes, Klans and Indigenous Nations to take their land. With this atrocious act of barbarism and identity theft

-We have our own Remedies, our own Charter and our own Customs '(ways of life on our land)

came a fraudulent history they created,

the intruders had no choice but to put themselves in the 'Moors' shoes in the history books, because they had no history of their own. No historical accomplishments, no land and no inheritance. Untrue blaspheme, theories and misinformation has been printed in school history books, by authors and published to the masses as truth. Printed in media and news. We will execute our remedy [Aborigine Fee Schedule] upon anyone, entity or alleged government who prints misinformation or falsehoods about “Black “People, 'Moors',

Indigenous Inhabitants, Aborigine of Amexem.

We have remedy that will charge penalty for all misinformation, identity theft, blasphemous articles stories being printed without following our prescribed pre-requisites for reporting on the Moors “ Black People”. News Media, Publications, Networks, online streaming, websites broadcasting stories, TV Broadcasters will be charged jointly and severally pursuant to the amounts listed in the Aborigine Charter.

Any entity author, publisher, editor, teacher, professor found to be printing, distributing, publishing, spreading mis-information, falsehoods and blatantly changing the history of the Autochthonous, Autonomous, Aborigine shall be guilty of making false claims, identity theft and International crimes of Genocide of Indigenous Inhabitants. Violations of Natural law, Law of Nations and Aborigine Charter. Moors are one with nature, part and parcel of the land.[Ref. Blacks Law 1st and 2nd edition]. This being one of the most offensive injustices (crimes) to a class/ status of Nationals who are historical jewels to this planet. Moors history/ her-story shall be depicted as indicated in the Archives, by the Archaeologist, by the Anthropologists, Astronomers, Astrologers. A indicative of being the first. The research and recordings of all that study the first in everything indicate who we are, so shall you. 'You' means anyone, person, individual, entity,quasi-governmental entity, the media, Historians, Internet Bloggers, News outlets, wikipedia writers, text book authors, editors, publishers, School book writers,teachers, professors any and all people conveying information about “Black People” the Aborigine History of 'Moors', Moorish Nation, Moorish Nationals, El's Bey's, El Bey's, Ali's, Dey's all may not be here included and are not limited to the aforementioned.

STOP, Cease & Desist- Spreading the untruths of “slavery” in the America's and around the World. Mandate to Find the facts and teach accurate her-story of the Slavery Trade. A Worldwide account of slavery, indicates that various other persuasions of people were enslaved, not only “Black” People. All “Black” people did not come to the America's from Africa. We were already here 100's of millions of years.

STOP, Cease & Desist- Teaching the myth of “Christopher Columbus” discovering America, these teachings are simply not true. Land inhabited by Aboriginal Asiatic Inhabitants for millions of years cannot be 'discovered' by anyone. Autochthonous, Autonomous Aborigine is who occupied and left the first landmarks in the United States of America, the dark skinned Moors. Moors, whom which all other later day amalgamated Kings and Queens derived from.

STOP, Cease & Desist- Mis-Teachings & Misinformation of “Christianity”.

The wiping out of centuries of Indigenous Inhabitants is one of the greatest atrocities known to man, if not the most, egregious holocaust ever known to man. Not only did the rosicrucianers, colonists and

inquisitionists rape our women and take our land in the name of Christianity, forcing Indigenous Inhabitants to convert.

These treacherous intruders took the most precious and valuable essence from us. Our names, our heritage, our lineage, the knowledge that our Ancestors left through, ancient teachings, lessons, books, manuscripts, pictures. Leaving us with no knowledge of self, who we really are and the Royalty from which we came.

Intruders took our history, killed our men and raped our women for centuries. Keeping this lie as their biggest secret. (What they did to masses of Indigenous 'Dark Skinned' Inhabitants to steal their land) and kept the secret of the land being the Moors lawful inheritance. Well the time has come and liar your time is up, give us back all that is ours. You will not willingly give to us what is lawfully and rightfully our inheritance. This is why the Ancestors speak through these words on this page. We have the power to make you yield today to our words, knowledge and intellect. We are back, we have awakened, we have arisen. WE are the Ancient Moors. Ase', Ase', Ase' (So it is, So it is, So it is).

Aborigine Protection ACT.
Unlawful Searches & Seizures and
Intrusions upon Liberties

Notice to All “Law” Enforcement Agencies, State's, Departments, Corporations, Officers of the Court and Ordering bodies thereof;

Each officer, ordering body, municipalities, “Law” Enforcement Agencies, State's, Departments, Corporations and ALL quasi-governmental agencies. Unlawful killings, raids and intrusions on liberties of the Aborigine [Indigenous Inhabitants] “Black People” shall be met with a charge pursuant to the Aborigine Charter. There is clearly no justice in the current 'legal system' for the Aborigine “Black” Asiatic Inhabitants,(Aboriginal, Tribes, Nations and Klans). Aforementioned statement is confirmed as fact: Stare Decisis, Collateral Estoppel at Law; Pursuant to the laws of immunity, such as THE DOCTRINE OF TRIBAL SOVEREIGN IMMUNITY, ex. **N.C.G.S. Chapter 52 § 15A-954, and now the Aborigine Proclamation/ Charter**, Rights of a Child U.N., Rights of Indigenous Peoples, U.N.. Treaties of Peace and Friendship 1736 and 1876 and more importantly the first historical recordings on landmarks claiming title to the land, [Ref. Toriano ObaShango- EI].

Wherefore we make these claims by DNA, birthrights and inheritance.

Immediately upon the Aborigine noticing (verbally or written) to the aforementioned individuals, agencies, officers of the court, municipalities, corporations, states of their status they must be treated lawfully as such. Culprits must halt intrusions and contact the superior departments and agencies for further instruction of how to conduct commerce/ interact with the Aborigine. Severe penalties shall be handed down for violations of the Proclamation/ Charter of the Aborigine of Amexem.

Any violation of the foregoing Proclamation of the Aborigine of Amexem will be met with swift penalties pursuant to the Aborigine Charter and Fee Schedule followed by Aborigine claim of lien and in conjunction with the President Obama's executive order to remedy atrocities past and present.

We do not acquiesce to the magna carta codes, jim crow theory or any other doctrine that subscribes to “Black People” being 3/5's of a person/ man or subordinate in anyway to others. Any doctrine teaching

that “Black People” are inferior to any other so called “race” shall be swiftly dealt with accordingly. We Do Not subscribe, acquiesce or adopt these falsehoods into our customs as (Indigenous Inhabitants) of the land. We Do Not subscribe, acquiesce or adopt any ACTS or legislation that supports the denial of our Indigenous Rights as Aborigine of Amexem/ Americas (United State of America). Out dated ACTS and legislation such as the Salvage Claims made by President Bush and the Right to Kill ACT;

[“ **October 1669-ACT I.** An act about the casual killing of slaves.

[Colonial leaders decided that corporal punishment was the only way in which a master could correct a slave since his or her time of service could not be extended. This law represents the loss of legal protection for a slave's life in Virginia. It also was the first of several laws passed during the last thirty years of the seventeenth century that reduced the personal rights of black men and women.]

WHEREAS the only law in force for the punishment of refractory servants resisting their master, mistress or overseer cannot be inflicted upon Negroes, nor the obstinacy of many of them by other than violent means suppress, Be it enacted and declared by this grand assembly, if any slave resist his master (or other by his masters order correcting him) and by the extremity of the correction should chance to die, that his death shall not be accounted felony, but the master (or that other person appointed by the master to punish him) be acquit from molestation, since it cannot be presumed that premeditated malice (which alone makes further felony) should induce any man to destroy his own estate.”

Laws such as the following are the same in the South to this day, laws that police officers/ law enforcement use to abuse “Black People”.

“**June 1680-ACT X.** An act for preventing Negroes Insurrections.

[This law represents an attempt to restrict the freedom and personal rights of enslaved persons. The members of the Assembly also decided that a slave who resisted a white individual was to be punished. The statute designated the punishments for three crimes: leaving a plantation without the permission of one's master, raising a hand against a Christian, and resisting capture after running away.]”

KNOW THIS ALL MEN & WOMEN: We the Aborigine hereby abolish, abate, abrogate all such inhumane, laws such as the ones on the books in Virginia and all States, in the United States of America/ Amexem that support the suppression and abuse of the Aborigine. [**Laws on Slavery Henning, ed., The Statutes at Large**]. These laws still on the books has given authoritative figures and law enforcement the illusion that they can abuse their power and treat “Black” people in an inhumane way. Laws such as the aforementioned are used in law enforcement, secret societies and fraternal orders, to be carried out against all those who pose a “threat” to the defacto quasi-governmental corporate system; Successful “Blacks”, those that speak out against injustices, those that know the law and stand for the protections of our inalienable/ unalienable rights and laws. When the so called “authorities” cannot entangle you into their legal system on unlawful warrants, searches and seizures upon an individuals liberties, the next step and most times final step is to wage a secret attack. Most often ends in a fatality of some sort, tactics include the Ancient rituals and sciences of the Aborigine and now using this knowledge upon the Indigenous Inhabitants. The Southern States have a fetish for abusing the rights of “Black” People. Especially the State of Virginia, having the most prisons of all States, largest population of inmates. Virginia also has the most inhumane laws for non-violent crimes, a case that we have been made aware of in Virginia is that the State is holding a prisoner for the last (19) nineteen years in 'State Prison' for a non-violent crime without the possibility of parole. Incarcerating him after he plead not guilty almost twenty years ago, at the age of (19) nineteen now 36 Thirty-Six years of age, first detained for robbery where no one was hurt or killed. We declare that this punishment is inhumane, no Aborigine currently incarcerated shall be detained longer than (7) seven

-We have our own Remedies, our own Charter and our own Customs '(ways of life on our land)

years for a non-violent alleged “crime”. We declare that there are no more acts of secrecy committed against Aborigine Moors, period on our land or otherwise. Any violations of this provision shall be met with swift retribution. All Departments, offices, agencies found to be committing acts of secrecy against the Aborigine of Amexem (Americas) shall be liened/ levied personally and offices shut down indefinitely. Tactics of J. Edgar Hoover, Aleister Crowley and the like shall not be tolerated under no circumstances. Factions of NSA, CIA, FBI and all that have been known to incorporate these tactics against a person/ group or overall population will be severally fined/ liened/ levied pursuant to the Aborigine Charter. Tactics such as, railroading, framing, and unlawful arrests without probable cause and/or without warrant. Any lawful detainment must be immediately followed by a probable cause hearing, where the status of the Individual shall be determined. Any deviation of the foregoing protocol when doing commerce with the Aborigine Moor shall constitute a violation of the Aborigine Charter. Culprits and violators shall be met with its equal in penalties and violations pursuant to the Aborigine Charter, therefore the individual office/ department/ State Agency shall be shut down Indefinitely and Absolutely.

When a lawful demand is made by an Aborigine to a State Department/ Agency/ City/ Municipality and it is denied, ignored stolen or delayed beyond the demanded time frame the Aborigine has the right to refer to the Aborigine Charter and Uniform Commercial Code for relief from any and all violations of these entities (including those within the District of Columbia).
